Home Fellowship
Section 4: Segment 9

Topic 2. Hand-in-Hand Discipleship: Flying In Formation

- Is there any one person in your fellowship family from whom all the other relationships extend outward like spokes on a wheel? In other words, is there someone who is inadvertently holding the fellowship together?

- Does anyone in your fellowship family seem to be more of a target of demonic attack than others? Discuss this with each other. How might each of you be falling short in your responsibility to bear one another's burdens?

- Is each person in your fellowship family relationally connected to others in such a way that most are being discipled as well as discipling someone else? Does this process of spiritual parenting seem biblically right to you? Do you need to make any changes in your relational interaction for this to come about?

- Are you aware of other fellowship families with whom the Spirit might be leading you to affiliate for His greater purpose in and through your extended spiritual family, and/or to share in collective worship?
