Section 4: Segment 1

Topic 2. Historic and Biblical Backdrop to the Hebraic Home Fellowship

- Describe your response to the various elements we've shared so far concerning Hebraic home fellowship.

- How would you articulate the difference between what we've been sharing about home fellowships as extended spiritual family, and that which is called "home groups" in many congregations?

- Do you believe God could use you to start a home fellowship? Yes or No? If no, why do you have this view of yourself?

- What is your personal view of the Older Testament? How should a follower of Jesus view its timeless truths?
