# Visualizing the Pilgrimage
of the Gospel of the Covenant
illustration 2

Deceptive so-called "gospels", those that don't help you take ownership of your own sinful depravity and need for repentance, drop you onto the **sides** of the funnel. You then live your "Christian" life compromising with the world's standards and values, unconcerned about confessing and repenting for your sins. As a result, you don't experience the light of Jesus in your life, nor do you become more and more like Him.

If you realize you have embraced a deceptive gospel, seek the true Gospel that will lead you to eternal life: **The Gospel of the Covenant**. Begin by confessing and repenting for having embraced a lie! Enter the center of the funnel and begin your sanctification until you reach eternal life. On your pilgrimage, remain steadfast in loving and trusting your Father, staying determined to complete your pilgrimage and always forgiving others.

It's of utmost importance to recognize that deceptive gospels put you on the **sides** of the funnel, where becoming Christlike means nothing to you. If you **don't** confess and repent, you will harden your heart and become an "Intransigent Unrepentant." **Intransigents** refuse to confess and repent; thus they nullify any hope of eternal life. BEFORE you become intransigent, confess and repent, and get to the middle of the funnel through the authentic Gospel!

Eternal Life
(salvation)

Thoughts to Consider:
• Have you found yourself on the **sides** of the funnel through a counterfeit gospel?
• Has your "Christian" life been filled with religious forms and practices, yet you haven't experienced the true light of the Spirit Who our Lord Jesus gives to His own?
• Has your "Christian" life been filled with study **about** our Lord, but you haven't been growing more like Him in love, character, and holiness?
• Has it occurred to you that you've embraced a deceptive manmade gospel?
• What are you going to do about it?
